### ***Disclaimer: Spelling of Names:***

*The names are spelled to the best of our ability considering we are using hand written rosters from the coach and scorekeepers who have tried to decipher them*

### ***Highlights: (When is a double not a double?)***

*A parent may think their son hit a double and should be in the highlights... When in fact it could have been recorded as a single with a fielder's choice and a stolen base to 2<sup>nd</sup> on an over throw...*

*We take the highlights from the official score sheets and unfortunately it is difficult to interpret some score sheets. If you really think your child has been wronged on being in the highlights, have your coach check the "Official Scorebook" (Not his) and bring it to the attention of the Tournament Staff.*
