Disclaimer: Spelling of Names:

The names are spelled to the best of our ability considering we are using hand written rosters from the coach and scorekeepers who have tried to decipher them

Highlights: (When is a double not a double?)

A parent may think their son or daughter hit a double and should be in the highlights... When in fact it could have been recorded as a single with a fielder's choice and a stolen base to 2nd on an over throw... A common error by All-Star Managers is not announcing substitutions and a different player gets credit for the hit, instead of the player who was in the game.

All-Star Managers: *We take the highlights from the official score sheets. If a parent thinks their player has been wronged on being in the highlights, only the All-Star Manager can ask to check the "Official Score sheet" that is kept with the tournament staff. If the official score sheet reflects the error the manager can bring it to the attention of the Tournament Staff. (Do NOT bring the Coaches scorebook it will not be used to settle discrepancies). Do not ask to change the official score sheet after you have signed your pitching affidavit it will not be allowed. Do not have parents contact us – we will send them back to you.*

Highlights are a courtesy of District 9 – No other District in the state provides Games Highlights for their All-Star tournaments – District 9 retains the right to discontinue highlights at any time.
