## 2014 GAME HIGHLIGHTS

### *Highlights Disclaimer:*

*Volunteers:* Highlights are provided as a courtesy of District 9 volunteers. District 9 has no paid employees and Highlights are subject to volunteer availability to read and decipher game score sheets.

*Spelling of Names:* The names are spelled to the best of our ability considering we are using hand written rosters from the coach and scorekeepers who have tried to decipher them.

### **Highlights: (When is a double not a double?)**

Highlights are taken from the official score sheet kept by parent volunteers who may or may not have been trained properly. A parent may think their son or daughter hit a double and should be in the highlights... When in fact it could have been recorded as a single with a fielder's choice and a stolen base to 2<sup>nd</sup> on an over throw... A common error by All-Star Managers is not announcing substitutions and a different player gets credit for the hit, instead of the player who was in the game.

**All-Star Managers:** We take the highlights from the **official score sheets**. If a parent thinks their player has been wronged on being in the highlights, only the **All-Star Manager** can ask to check the "**Official Score sheet**" that is kept with the tournament staff. If the official score sheet reflects the error the manager can bring it to the attention of the Tournament Staff. **(Do NOT bring the Coaches scorebook it will not be used to settle discrepancies)**. Do not ask to change the official score sheet after you have signed your pitching affidavit it will not be allowed. **Do not have parents contact us – we will send them back to you.**

**Highlights are a courtesy of District 9** – No other District in the state provides Game Highlights for their All-Star tournaments – District 9 retains the right to discontinue highlights at any time.
